

Ogun State College of Health Technology, Ilese- Ijebu.

2021/2022 Admission Compendium

For Both Full -Time & Sandwich Programmes

GENERAL INFORMATION

The Ogun State College of Health Technology, Ilese-Ijebu was established on 28th September, 1976 mainly to train middle—level manpower for the delivery of primary health care. Thus, becoming the first post-secondary educational institution in the State.

In April 2006, the Governor of the State consequent upon the passage of a bill establishing the College by the State House of Assembly graciously assented the bill into law. Thus, upgrading the College to a full Polytechnic status. The College programmes/courses are regulated by both National Board for Technical Education (NBTE) as well as various professional health Boards/Councils which makes our training unique and holistic. The College had since been graduating top quality middle and senior level manpower for the delivery of health care service in Ogun State particularly and Nigeria as a whole.

The College programmes/courses are at Certificate, Diploma, National Diploma (ND) and Higher National Diploma (HND) levels with emphasis on primary health and other health related areas.

You are welcome to a world of excellence in the promotion of holistic Health.

N.B.: *The College has a zero-tolerance policy for examination malpractice, cultism and any unfounded behaviours. Culprits will be punished in line with the College Regulations.*

GENERAL ADMISSION REQUIREMENTS

1. The admission requirements for any of our National Diploma (ND) Programme is a minimum of five (5) credits O/level passes, in English Language, Mathematics, Chemistry, Physics and Biology obtain in WAEC/NECO or NABTEB at not more than two (2) sittings. However, all applicants for National Diploma (ND) programmes should also endeavour to obtain the current JAMB form.

Note: JAMB is compulsory for all National Diploma (ND) programmes

2. Applicant into College Certificate, Diploma/Technician programmes who wishes to advance to Higher National Diploma (HND) programme in future are advised to write this year's JAMB examination as JAMB has proscribe regularisation of admission.

3. Details of each programme requirements are explicitly stated on pages 4 – 9. Applicants are advised to carefully read the requirements before making their application as error in the choice of course by applicant will not be tolerated.

4. Applicant awaiting result(s) are free to apply. Such applicant should indicate AR in the column for O/Level Result(s) on the Application Form. However, the O/Level Result(s) being awaited must be ready before admission exercise as no student would be considered for admission without complete O/Level Result(s) (i.e as stated against the choice course of study).

5. The requirements for admission into Higher National Diploma (HND) programmes includes; National Diploma (ND) not lower than Lower Credit in relevant course/programme in addition to the Good O/Level requirements stated in (1) above.
